

# MEDICAL REQUIREMENTS AND PROCEDURES FOR AUSTRALIAN VISA APPLICANTS

## LIST OF REQUIREMENTS

- 1 **Health Examinations List (HAP letter with HAP ID) or Referral Letter (with TRN)** from the Australian Embassy
- 2 **Current Valid passport and photocopy of the Bio Page**  
\*If passport is not available, please consult with us before your appointment date via email at [mhc.au@iom.int](mailto:mhc.au@iom.int).
- 3 **One (1) Government-issued ID** for the building security at the Ground Floor

## ADDITIONAL REQUIREMENTS

### For Applicant 0-18 yrs. old:

- 1 Kindly bring **PSA Birth certificate** and if available, a **School ID** for the current school year and photocopies

### Minor applicants must be accompanied by a guardian:

- 1 **Letter of Authorization** from the parent sponsoring the visa application (signed) and a scanned copy of the parent's passport  
\*These documents can be scanned and then emailed to the guardian by the parent. Guardian can print said documents and bring it on the day of the minor's medical exam.
- 2 **2 valid Government-issued IDs** of the guardian (for the clinic and building security)

### For applicants who are required of HIV Testing:

- 1 Fill out and print the [HIV Personal Information Sheet](#) and [HTS Counselling Form](#) which can be downloaded from the IOM Manila Health Centre Website (see downloadable forms).  
\*Signature will be affixed on the day of appointment

### For applicants who have been vaccinated:

- 1 Kindly bring your immunization / vaccination cards to be presented on the day of your appointment. Please note that COVID-19 vaccination is not a prerequisite to your medical exam.

### For Pregnant Applicants:

- 1 Prior to taking a chest x-ray (CXR), it is highly recommended that you consult with your Obstetrician who is in the best position to give advice on your individual medical status. All pregnant clients after being counseled by the MHC Panel Physician can decide on either of these two options:
  - Defer the CXR and therefore the finalisation of both IME and visa application, until after giving birth, or
  - Proceed with the CXR, with appropriate abdominal and pelvic double lead shielding, after completion of the first trimester.

## Important Reminders:

- \*If applicants have significant medical history or undergoing treatment, kindly bring pertinent medical reports/results.
- \*Please bring your eye glasses or contact lens, if applicable.
- \*No fasting is required. No specimen samples should be brought.
